Hi Gabrielle and Kate,

I am sharing a Google Doc with an email to send to parents regarding the LAUSD Board meeting and rally. I am not sure the Friday email copy was enough, I am hoping this can go out on Sunday evening. There is an updated flyer to attach, which is included in this email and is also translated. I have highlighted the section of the email blast that I would like the flyer attached to in yellow.

Please send the following text blast to accompany the message. Silvana is translating this for you:

Good evening, New LA Parents. Please see your email for an important message regarding a proposed resolution to ban new charter schools from opening in LA. This resolution will be voted on at the Board meeting Tuesday. We are hoping you will take action to support our schools!

Kate, will you please share CCSA's post on our Facebook Page regarding the resolution and rally. It includes the flyer. If Alana has concerns, please direct her to me. Hopefully the email that I am sending to staff this evening will clear up any confusion for her. I would like this posted on Monday morning after my email goes out.

Thank you!!

BR

I like the CCSS post bc it explains the resolution. Take a look and let me know what you think given recent concerns brought to you.
